MILDEW CONTROL
Pure Mildew Control

- Effective against *Podosphaera fusca*, the powdery mildew found on cucumbers, luffas, melons (including watermelons), and squashes (including pumpkins).
- Effective against *Erysiphe necator* (*Uncinula necator*), the powdery mildew endemic to grapes.
- Effective against *Podosphaera leucotricha*, the powdery mildew that affects both apples and pears.
- Effective against *Podosphaera aphanis*, the powdery mildew commonly found on rosaceae, such as blackberries, raspberries, and roses.
- Effective against *Oidium lycopersicum*, the powdery mildew of tomatoes.

Mix Rate: The mix rate for Mildew Control concentrate is 1.28 fl oz (37.9 ml) per one gallon of water.

SHAKE OR MIX THOROUGHLY! Reverse Osmosis water is recommended.

Avoid using during peak sunlight or intense lighting, as some plants are sensitive to oil-based products.

The buyer undertakes all accountability for correct usage of this product.

**FIRST AID**

**IF SWALLOWED**
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED**
- Moisten eyes with cool, clean water. Call doctor or poison control center immediately. Do not remove eye contact lenses unless they are irritating.

**IF IN EYES**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF ON SKIN OR CLOTHING**
- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**HOTLINE NUMBER**
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergency information call the National Pesticide Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific time (PT), seven days a week. During other times, call the poison control center 1-800-222-1222.

**STORAGE AND DISPOSAL**

STORAGE: Do not store near water, food, or feed by storage and disposal. Store in a cool, dry area under lock and key. Post as a pesticide storage area. Always store pesticides in the original container. Store away from feed, pet food, and food.

CONTAMINATION: Avoid inhaling contents. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a container 1/4 full with water and recap. Shake for 10 seconds. Pour rinse into application equipment or a mix tank or store rinse for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then pour the recycling if available, or put in and dispose of in a sanitary landfill or by incineration. Do not burn unless allowed by state and local ordinances.

PESTICIDES SPILLS: Spills of this container are prohibited. Please dispose of this recyclable container at a container collectors site, which can be found by contacting your municipality for the location nearest you.

ENVIROMENTAL HAZARDS:
For terrestrial uses. Do not apply directly to water, or to areas where surface water is present or to ornamental areas below the mean high water mark. Do not contaminate water where disposing of equipment washwater or rinses.
